Summary of School Sports Premium			
Objectives 2016/17: <ul style="list-style-type: none"> - To fully install the gym equipment on the playground. - To provide football coaching to children in KS2. - To provide multi skills for identified vulnerable children in KS1. - To provide football training for identified MA children. - To provide transport to tournaments to ensure that children can attend tournaments. 			
Record of spending by item/project			
Item/Project:	Cost:	Objectives:	Impact:
Gym equipment for the playground	£556.97	To enhance physical activity among the children during playtimes.	The children use the equipment every day. 100% of KS2 children use this equipment each week either before, during or after school. 86% have increased their personal best on the equipment.
After school football club (CFC)	£2300	To raise the profile of football across the school. To encourage children to take part in the sport. To increase activity levels among the least active pupils.	18.75% of KS2 attended this club. 27% of that group were disadvantaged. The football team achieved a place in the finals of every tournament they competed in.
Transport to tournaments	£688	To enable the children to take part in sporting events and tournaments held throughout the county.	This enabled all children to be involved in tournaments and festivals without having the barrier of lack of transport. The children were able to take part in sporting events all over the county thus enriching their sporting experiences. So far this year the school have competed

			<p>in the following events:</p> <ul style="list-style-type: none"> - Y 5/6 Boys' Football (4 fixtures) - Y 5/6 Girls' Football (3 fixtures) - Y 5/6 Athletics festival - Y 3/4 Tag Rugby festival - Y 5/6 Boys' Football (B team) - Y 5/6 Netball tournament - Y 5/6 Netball tournament (finals) - Y 3/4 Badminton tournament - FiTC (boys) - FiTC (girls)
Youth Sport Trust	£150	To have access to courses, resources and CPD.	Resources obtained. 100% of lesson observations were good in the summer term. NQT accessed course.
South Coast Sports	£1020	<p>To enable those children who have been identified as vulnerable to take part in multi skills.</p> <p>Training sessions for the school's girls' and boys' football team.</p>	<p>Identified children have been given the chance to raise their self-esteem, increase their physical activity and develop their teamwork skills. There was 18% of vulnerable children in Y1&2. 73% of the vulnerable children in Y1&2 take part in multi-skills. 100% increase from previous year.</p> <p>The football teams have had weekly training during their lunchtime break. They have improved their skills and been able to develop as a team. The school are now</p>

			able to develop the B teams. In the Crawley Schools tournament, our B team came third (out of 10 schools). The B team is more inclusive and as a direct result of it, an additional ten children took part in an inter-school competition.
Football	£224	To provide the children with the appropriate equipment to partake in football.	The children had the correct size of football for their age and size and were able to develop their skills using the appropriate equipment.
South Coast Sports	£1170	Allocated to the continuation of multi skills for those identified vulnerable children. This provision will continue to be offered in the Summer Term with this funding.	25% of vulnerable children participated in multi-skills. P.E. observations demonstrated that all children involved in this group were able to apply the skills and actively take part in P.E. lessons.

Wider impact:

Through our increased participation in sporting events and extra-curricular activities, the school was awarded the Sainsbury's School Games Mark Bronze Award.

Sustainability of spending

- **The profile of football and netball have been raised significantly. The school now has established teams, which will continue to thrive. The skills of the teachers have been developed through working with the coach.**
- **Through the partnership we have with SCS the teachers have developed their skills in teaching PE, which are transferable into their own practice.**
- **The gym equipment is now fully installed. This is being used daily by the children and has improved motivation and stamina in some of our least active pupils; they will now independently choose to spend time on the gym equipment.**
- **Due to the investment made last year to establish clubs, enough interest has been raised for the clubs to sustain themselves, even after they changed to require a fee. 45.25% of KS2 children take part in a sports club either after school or during lunchtime.**

Summary

Total School Sports Premium	£9802
Total Expenditure	£6108.97
Money remaining	£3693.03
