Dear Parents/Carers,

This term in EPR, Year 3 children will be focusing on 'Citizenship and Financial Education.' This topic will include:

- Recognising their own achievements, strengths, aspirations and goals
- Listening and responding respectfully to a range of people
- Responsibilities at school, home, community and environment
- Resolving differences
- How to manage money

To further your child's learning, you may like to discuss these issues with your child using the following question prompts:

- What are your strengths, weaknesses and goals?
- How can you show people you are a good listener?
- What responsibilities do you have at home and school?
- What do you do when you have a disagreement with someone?
- Why is it important to spend money carefully?

The following websites and video clips may also help you talk about these issues with your child:
