Dear Parents/Carers,

This term in EPR Year 6 children will be focusing on 'Citizenship and Financial Education.' This topic will include:

- Looking at a range of national, regional, religious and ethnic identities in the UK
- Recognising their worth as individuals
- To explore and critique how the media present information
- Skills that make someone 'enterprising'
- The benefits of saving for the future.

To further your child's learning, you may like to discuss these issues with your child using the following question prompts:

- Is it important to be in contact with people from different ethnic identities? Why?
- What makes you special'?
- Why is it important to save for the future?
- What does 'saving for a rainy day' mean to you?

The following websites and video clips may also help you talk about these issues with your child:
