Dear Parents/Carers,

This term in EPR Year 2 children will be focusing on 'Citizenship and Financial Education.' This topic will include:

- Sharing opinions
- Offering feedback and supporting others
- Respecting differences between people
- Looking after our environment
- The role of money in our lives and how to keep it safe
- Making choices on how we spend our money

To further your child's learning, you may like to discuss these issues with your child using the following question prompts:

- Why is it important to share?
- How can you support others at home and in school?
- How can you help look after our environment?
- Why do we need money?
- What do we buy with our money?

The following websites and video clips may also help you talk about these issues with your child:
