Dear parents/carers,

This term in EPR, Year 4 will be focusing on 'healthy lives and safety.' This topic will include;

- How to reduce the spread of bacteria
- How to have and maintain a balanced diet and how to make good choices
- Strategies for keeping ourselves safe (mobile phones and ICT)
- Awareness of gas and electric safety and how to assess different situations.

To further your child's learning, you may like to discuss these issues with your child using the following question prompts:

- Why is it important to stay safe?
- How can we be safe at home?
- What can we do to help reduce the spread of bacteria?

The following website may also help you talk about these issues with your child:
